

Firepool Centre for Digital Innovation

A brand new hub where digital organisations
can collaborate, innovate and thrive

FC
DI

The Centre

The Firepool Centre for Digital Innovation is a 2,493 sq m innovation facility in the heart of Taunton. The purpose-built Centre provides a hub for innovative businesses in the digital economy, offering brand new, grade A office suites, co-working, collaboration and event space over four floors.

Our aim is to bring together like-minded digital and data businesses in an environment where innovation and collaboration can thrive.

Eligibility

Whether you are a born-digital company or a traditional business embracing digital transformation and innovation, the Firepool Centre for Digital Innovation offers the perfect base for your company.

We welcome businesses who are using digital technology in innovative ways to change the way services are delivered; improve customer experience; or introduce change through technology.

Please contact us to discuss your requirements.

Workspace

The Centre offers a variety of bright, modern workspaces including:

- **Private offices**
- **Co-working space**
- **Break-out space**
- **Hot desks**
- **Options to create bespoke workspace solutions**

Private offices are available on flexible lease terms and vary in size from 41.39 sq m to 286.71 sq m.

Our co-working spaces are designed to inspire and encourage collaboration with like-minded professionals.

If you're looking for more flexibility, our hot desks are bookable on a pay as you go basis.

Member benefits

Our workspace membership packages offer unlimited access to a dedicated desk in a co-working environment.

All our members get access to break out space including meeting pods, cafe tables, armchairs and kitchen facilities.

Members also benefit from discounted rates when booking our meeting rooms and event space.

Event Space

Whether you're hosting a conference, a networking event, a board meeting or a workshop, we have a variety of spaces to suit your needs.

Our bright and modern event space accommodates up to 100 delegates. The conference room, which seats up to 80, boasts a 130 inch screen with full audio solution and can be set out in a boardroom, theatre or classroom style.

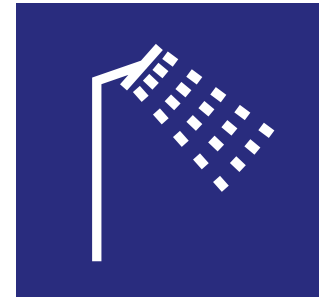

All our air conditioned meeting rooms have high spec AV facilities.
